ADMINISTRATIVE OFFICE OF THE COURTS

Non-Merit Position
(This position is exempt from the State of Delaware Merit Rules)

Posting #AOC1003N17

TELECOMMUNICATION/NETWORK TECHNICIAN II

****This is a Career Ladder series****

Opening Date: October 19, 2017

Closing Date: OPEN

Salary: \$39,093 - \$48,866 per year (Minimum - Midpoint) Pay Grade 13*

Recruiting For: **Administrative Office of the Courts, Judicial Information Center**

Location:

1. New Castle County
2. This position will report to New Castle County and will need to travel between the New Castle County Courthouse and Reads Way facility based on a weekly schedule. Therefore, this employee must possess a valid driver's license and meet all of the necessary requirements to be granted approval to operate a State of Delaware vehicle (pending approval for filling). Occasional travel to other counties may be required.

Please check the desired location(s) on your application.

*Salary applicable for this position is based upon the qualifications of the individual applicant.

Summary Statement:

The successful candidate for the Telecommunications Technician II position will be responsible for following various information technology (IT) customer support procedures, performing maintenance on computer hardware and peripherals, and supporting the connection of approximately 2,000 users to the State's network. This role will support large scale projects where equipment and software are being deployed statewide. Other aspects of this role include:

- Learning the systems used by the Delaware Courts and becoming proficient in providing front line support which includes but is not limited to account creation, account removal,

password resets, basic system navigation, establishing system connectivity and installing supporting software

- Providing support to court users by using the tools available. This includes but is not limited to Epicor, Microsoft Deployment Toolkit, System Center Configuration Manager, Planet Press, MigWiz, PowerShell, DameWare and Active Directory
- Operating independently to troubleshoot repairs and solutions for users. Also, identifying opportunities for documenting new situations and solutions and communicating your findings with your colleagues
- Researching scenarios where no previous experiences have been documented by the organization
- Communicating with end users efficiently, understanding their concerns and instilling confidence that their concerns can and will be addressed
- Evaluating equipment that is presenting issues and identifying what components are necessary to repair it
- Communicating with vendors to repair or replace equipment that is covered under warranty
- Documenting an appropriate level of detail for all requests to ensure issues are resolved with minimal interruptions to end user
- Learning and adapting to new technologies as they become available
- Supporting standard business applications such as Microsoft Outlook, Word, Excel, PowerPoint, OneNote, Skype for Business, Access, and Adobe Acrobat

Minimum Qualifications: Please address each item separately on the Minimum Qualifications page of the application. Failure to do so will result in disqualification. Applicants must meet each of the following qualifications. Failure in any one area will result in a rating of “not qualified.” Resumes may not be substituted for the application.

1. At least two (2) years experience installing, testing, and configuring computer hardware and connecting it to a network. This includes the configuration of wired and wireless connections and the installation of infrastructure components.
2. At least two (2) years experience administering computer data networks including troubleshooting, diagnosing, and resolving computer data networks problems.
3. Ability to communicate courteously and effectively, both verbally and in writing, including the ability to communicate complex, technical information in a format appropriate to ensure audience comprehension with a diverse group of clients such as end-users, staff, and coworkers.

Conditions of Employment:

- A satisfactory criminal background check is required as a condition of employment.
- Direct deposit of paychecks is required as a condition of employment.

Benefits: To learn more about the comprehensive benefit package please visit the website at <http://ben.omb.delaware.gov/>.
